

Cable Cutter and Crimp Tool

Make your own cable assemblies in house using this versatile and durable tool. One tool both cuts cable and crimps aluminum oval and stop sleeves. Special "over-center leverage" design transmits a powerful snap-action to the jaws, assuring a clean and strong crimp. Easily adjusts to crimp 1/32" - 1/16" aluminum sleeves. A handy gauge for compressed sleeves is also included.

Cable Cutter / Crimp Tool

Stock Code	Description	Crimping Range	Wt/Each	Length
CCT-WCI	Cable Cut/Crimp Tool	1/31", 3/64", 1/16"	.75	9"

FELCO™ Cable Cutter also stocked. Cuts cleanly, doesn't fray cable.
