

## Tarifold Document Holder

### Description

Ideal for a smart document presentation!

The document holder will perfectly hold up to 5 sheets of paper. Places all important documents right at hand and at eye-level. Fast insertion and retrieval of paper documents.

### Technical characteristics

Fast and easy mounting. T-clip allows mounting wherever needed on all aluminium profiles (work posts, machine carters, quality stations...).

Neat and clean: no need for tape or tack to hold document. Easy document access and handling thanks to curved out clip.

Reliable anti rotating function.  
Sold in front-opening dispensing box for better stock management and accessibility.  
One box contains 12 items.

Material: Polyoxymethylene (POM)

Holds 1 to 5 standard (80 g) paper sheets
