

Dual Stage Mini Rotary Latch

240R 54 Right Hand & 240L 54 Left Hand

This Mini Rotary Latch gives you the benefits of either two-stage or single-stage rotary action for even the most confined areas. It is ideal for small hoods, lids, doors & panels, with a maximum rated load strength of 750lbs. The latch's low-profile design & light weight allow it to be easily mounted using two 1/4" bolts.
