

## Magnetic Holders for Document Pockets

### Description

Mount or change documents on an aluminium profile in less than 2 seconds!

Thanks to its powerful magnets, the pivoting pockets are mounted on the bracket in the blink of an eye!

The magnetic holder has to be mounted on the brackets (ref. 920001) and thus will enable you to insert easily 5 or 10 pockets.

2 sizes are available to fit all your needs: small (for 5 pivoting pockets) and medium (for 10 pivoting pockets).

Saves time and improves efficiency!

### Product benefits

In polyamid PA6 for better shock resistance. With powerful magnets in order to hold the pockets tidily.

### To be used in conjunction with the Document Pockets:
