

Tarifold Magnetic Holder

Description

Store all metallic items and keep them right at hand! Magnetically holds various metallic items such as tools, keys, etc. on aluminium profiles. Can be fixed thanks to T-Clip anywhere on T-slot aluminium profiles.

Technical characteristics

Easy and convenient: save time by holding all frequently used items right at hand on work stations or machines. Improved efficiency and safety: organized and tidy workplace.

Can also be used together with the Easy Load display panel with metal rings (Ref. 924057) for signage and document protection.

Versatile: the magnetic holder can be used horizontally or vertically.

One box contains 12 items.

Material: Polyamide (PA6).
Stable anti-rotation function.
Sold in a dispenser box with front opening feature for a better stock management and product access.
Made in Europe.
