 - Telescopic Rails
- Hegra Telescopic Rails
 - Over Extension Rails

Latches

- Compression Latches
- Bolt Latches
- Catch Latches
- Flush Mounted Locks
- Hidden Panel Latches
- Magnetic Latches
- Multipoint Locking
- Push to Close Buttons
- Quarter Turn Latches
- Passenger Restraint Latches
- Rotary Latches
- Slam Latches
- Spring Bolt Latches
- Trigger Latches
- Over-Centre Latches
- Toggle Latches
- Electronic Rotary Latch

Knobs

- Ball Knobs
- Wing Knobs
- Button Knobs
- Lobe Knobs
- Wing Knobs
- Scallop Knobs
- Star Knobs
- Taper Knobs
- Thumbscrew Knobs
- Self-Assembly Knobs

Handles

- Bridge Handles
- Grab Handles
- Drop-T Handles
- Cranking Handles
- Clamping Handles
- Function Handles
- Folding Handles
- L Handles
- Swing Handles
- T Handles
- D Handles
- Electronic Locking Swinghandle

About Us

Concept Latch Lock & Hinge, established in 1989, supplies industrial components & hardware to a wide variety of customers & industries.

We supply sheet metal fabricators, electronic cabinet manufacturers, truck & trailer manufacturers, as well as recreational & emergency vehicle manufacturers. We supply to any industry which requires an access hardware solution.

We represent internationally renowned companies, whereby quality, delivery & engineering experience make us a leader amongst our competitors, offering over 25,000 products to the market. Our dedicated staff, with many years of industry experience & knowledge, we will assist you in the development of your access solution.

We service your needs by providing an extensive product range offering 3D-CAD modelling, samples, & on time delivery for your manufacturing requirements no matter where your facility is situated.

We aim for our products to provide low installation costs, ease of assembly to reduce the total manufacturing costs for our customers.
