

# D.G.N. HINGES FOR RV

## NEW HINGE 2962NBNP WITHOUT POSITIVE STOPS

**SOFT-CLOSING SYSTEM OPENING 130°**

**WITHOUT POSITIVE STOPS**

**THIS HINGE CAN BE ASSEMBLED ON INTERNAL DOORS**

**INTERNATIONALLY PATENTED**

### **2962NBNP OPENING 110°**

**2962NP OPENING 130° IN ITS VARIATIONS FOR OPENING 110° WITH 2 mm PLATE**

Insert a plate of thickness 2 mm supplied by DGN in the installation phase of the hinge that will work as a mechanical stopper. The plate must be placed on the base of the hinge that is applied on the upright of the furniture. In this way the hinge will be stopped at 110°

### **2962NBNP OPENING 120°**

**2962NP OPENING 130° IN ITS VARIATIONS FOR OPENING 120° WITH 1,5 mm PLATE**

Insert a plate of thickness 1,5 mm supplied by DGN in the installation phase of the hinge that will work as a mechanical stopper. The plate must be placed on the base of the hinge that is applied on the upright of the furniture. In this way the hinge will be stopped at 120°
