

## RAISED COUNTER BRACKET CTB Series

- Allow for additional floating countertops, expanding your counter space.  
Comes in two mounting options: top-mounted and wall-mounted.
- Designed to allow cables to be put through. (Max. diameter:  $\phi 10.5$ )

### [Applications]

- Commercial reception counters, kitchens, serving bars, and more.

### [Remarks]

- Please make sure the support structure that the bracket will be attached to is strong enough to handle the load.
- The length can be customized to your projects. Please contact us for more information.

### [Colour Finishes]

### [Wiring Cables]

Can be used with LED lights and electric appliances.

## RAISED COUNTER BRACKET CTB65-VM60-300 60° / Wall-mounted / Front-screw

- Allows for additional floating countertops, expanding your countertop space.
- Designed to allow cables to be put through. (Max. diameter:  $\phi 10.5$ )

### [Applications]

- Commercial reception counters, kitchens, serving bars, and more.

### [Remarks]

- Please make sure the support structure that the bracket will be attached to is strong enough to handle the load.
- Max. pitch of adjoining brackets is 900 mm.
- Max. size of countertop overhung is 1,000 mm in width and 400 mm in depth. (when using two brackets)
- Min. thickness of a countertop overhung is 20 mm.
- Min. thickness of a countertop that will support an additional countertop is 30 mm.

### [Parts Included]

- Countersunk tapping screw M5×20
- Hexagon top bolt M6×40
- Hexagon countersunk bolt M3×8
- Hexagon socket button bolt M3×8
- Washer M3
- Hexagon wrench 2
